

HELIOS

MULTIGRADE ENGINE OIL

Description

These Helios grades are our all season lubricants for gasoline, LPG as well as diesel engines for which the use of an API SF/CD is recommended. They have a high dispersancy and detergency level, excellent anti-wear protection and high oxidation resistance. They are excellent in preventing hot and cold sludge.

Benefits

- Excellent detergency and dispersancy providing optimal cleanliness
- Excellent protection against black sludge in engines
- Long life-time
- Suitable for use for older cars as well as running-in engines

Performance levels

- API SF/CD
